YOU WILL NEED

- Download and print the 'brooms & pumpkins' game board
- 1 die
- 2 - 4 different coloured counters
- 2 - 4 players

HOW TO PLAY

- All players roll the die. The highest number goes first
- Begin on the 'start' square
- Roll the die and move the number of places represented on the die
- If player lands on the base of the broom, they move up to the witches hat
- If player lands on the witches hat, they move down to the broom end
- If player lands on a pumpkin, they must answer the question correctly, or miss a turn
